Dated : 03-08-2002

CIRCULAR  
(ARRC-53)

Sub : Targets for revival of units under possession-2002-03

It has been decided that the Corporation should make strenuous endeavours to revive atleast 500 units under possession by way of disposing-off them through attempting auctions and reviving such units into original hands during the Financial Year 2002-03. Indeed, the thrust area of the Corporation for Current Financial Year is to dispose-off maximum number of units so as to effect recovery from NPA sector and reduce non productive expenditure on watch & ward/advertisement etc.

It should be ensured that the inventory of units under possession by the end of Financial Year should positively reduce the figures of 1.4.2002.

All concerned are enjoined upon to achieve the targets for revival of units under possession as indicated in the appended sheet.
