CIRCULAR
(ARRC No. 67)

PS
Reg: Holding campaign for settlement of Deficit/Decretal/Written-of cases

Details of holding campaign for settlement of Deficit/Decretal/Written-of cases were given in Work Calendar 2003-04 issued vide circular No.ARRC-60 dated 26.2.03 and circular No.ARRC-65 dated 10.4.03.

250403 With a view to making the said programme a success, time schedule for allotting such units to DGM(R)/BM/DM/AM/Staff as well as preparing basic information has already been indicated in the circular ARRC-60 dated 26.2.03 and ARRC-65 dated 10.4.03. It is hoped that field offices would attach priority for holding campaign for settlement of loss assets and would take this campaign as a challenge so as to bring desired results. It is again emphasised that this campaign to be held from 15th to 21st May,03 should not be taken as a formality.

To facilitate the field offices to contact the promoter(s)/partner(s)/ guarantor(s)/ director(s) of Deficit/Decretal/Written-of cases and searching out properties, it has been decided that vehicles available at ROs/BOs and HO would be made available on definite dates to ROs, 32 offices and nine branches would hire vehicles for 2 days to whom vehicle of RO/BO/HO has not been allotted, which details are shown in the statement enclosed herewith.

CMD has desired that the results of the campaign should justify the expenses to be incurred by the field offices. Therefore, it is significant to reiterate that the field offices should ensure recovery from loss assets from 15th to 21st May,2003.

DGM(R), Branch Manager concerned should ensure to relieve the vehicle from his office to next office in accordance with the programme decided by the HO.

Branch Manager should also ensure to send consolidated progress report in the format enclosed as Annexure 'D' (Work Calendar, Circular No.ARRC-60 dated 26.2.03) to DGM(ARRC), Ho soon after the campaign is over.

All concerned are advised to make a note of above.

(J.P.Vimal)

Executive Director

1. All BOs, ROs and SOs.
2. GM(WZ), Jodhpur / DGM(A&I), Ajmer
3. Standard circulation in HO.
4. DGM(GAD), Ho.
