CIRCULAR
(ARRC No.76)

**Reg : Targets for recovery in deficit/ written off/ decretal cases
for the Current Financial year (2003-04)**

You are aware that huge amount of the Corporation is involved in the above-mentioned category and despite of introducing Settlement Schemes in the past, expected results were not achieved.

In the months of May,2003 and July,2003, campaign of one week during each month was organised for effecting recovery, identification of properties of promoter(s), guarantor(s) and filing suits but satisfactory results were not achieved. Such cases are existing in each Branch Office since long but sufficient time and required attention has not been paid, as a result, huge amount is still blocked in these cases.

Recovery from these loss assets would contribute to the income which will strengthen the overall viability of the Corporation, therefore, it is necessary that full attention should be given to this portfolio.

On the basis of recovery made in the last year from these cases, **the minimum target for recovery during the Financial Year 2003-04 has been fixed as per enclosed statement, but all out efforts need to be made to recover maximum amount from these cases.**

You are also advised to furnish details of amount recovered from these cases separately while conveying weekly progress of Key Areas of operations to DGM(P&C), HO.

All Branch Managers and DGMs(R) are advised to spare time and monitor the portfolio of loss assets regularly and ensure not only to achieve the allotted target, but to exceed the same.

(Yaduvendra Mathur)
Chairman cum Managing Director
