Reg: Follow up of Reschedulement cases

It has been observed that a number of cases are being rescheduled every year in order to regularize account of such units. It has also come to notice that subsequently effective monitoring of such rescheduled cases are not being done with the net result that further default in such cases takes place. This is a matter of great concern to the Corporation. In future, there should not be any default in once rescheduled cases and, therefore, it has been decided that each and every case shall be monitored by an officer of the Corporation. For this purpose, for each case one nodal officer shall be nominated, who will submit his monthly report to Branch Manager in the enclosed format. The Branch Manager, in turn, shall submit a consolidated report to DGM® by 5th of each month. DGM® shall monitor such cases during his visit to Branch Office and send a report to HO by 7th of each month.

(Karni Singh Rathore)
CHAIRMAN & MANAGING DIRECTOR
