SCHEME FOR ONE TIME SETTLEMENT OF NPAs 2005-06

Section 24 of the SFCs Act, 1951 envisages that the Board in discharging its functions under this act shall act on business principles, due regard being had by it to the interests of industry, commerce and the general public. The conclusion derived from this Section of the SFCs Act prompted the Corporation to devise some mechanism to settle difficult and hard cases, where early recovery is not possible/unit finds it hard to repay their loans because of non-viability of their project and can not cope with fast changing economic scenario.

Accordingly, the Corporation brought in one time settlement scheme to settle its NPAs through empowered settlement committees for the last many years so as to get rid of such accounts and to improve its health and also to provide relief to genuine cases. (1) To reduce NPAs and improve health-code of loans port folio of the Corporation
(2) To settle hard and difficult cases, from where recovery is a remote possibility

(4) Cases where technology has become obsolete and units are not viable in the fast changing economic scenario.
