Dated: 23.05.2007  

CIRCULAR  
(FR No. 455)  

Sub: Writing off / writing back of the amount irrecoverable during the Financial Year 2006-07  

It has been noticed that many of the Branches have still not sent the proposals so far. This is not desirable on their part. Field offices are well aware of this fact that the task relating to finalization of accounts is already in full swing and effect of write off is to be given in the accounts for the year 2006-07. If the proposals are not received timely in the headquarters, it shall be difficult to give effect of write off in the accounts for the year 2006-07.

All concerned are therefore, enjoined upon to ensure that the proposals for writing off in the Proforma prescribed, each and every column of the proposal duly filled in, are received in the FR section at HO by 30.05.2007 positively. If, there are no proposals for writing-off, the information may be sent as "Nil". Any laxity noticed in this regard shall be viewed seriously.
