CIRCULAR (FR-584)

Dated: 03.11.2009

Reg: Insurance of assets of assisted units

Instructions already exist in P&G (Chapter FR-8) that the Branch Office should ensure that the assets of the assisted units (i.e. fire prone industries and transport vehicles) are kept insured throughout and the insurance policies are renewed timely during the currency of the loan.

The issue has been discussed in the PC&CC in its meeting held on 14.10.09 and it has been observed that on account of the various risks and in order to insulate our risk and safeguard our loanees from the perils of loss in case of any eventuality, henceforth, the insurance cover is mandatory for all the new units whether manufacturing or service (irrespective of fire prone or not).

Accordingly, a condition is being stipulated in the loan sanction letter / loan agreement making it compulsory for our units to obtain insurance cover for fire, theft, loot and arson and need based other coverage before release of disbursement. Accordingly, the loanee is required to submit blank post dated cheques (PDCs) at the time of execution of agreement (i.e. before disbursement of loan) for the insurance premium for the currency of loan.

It will be responsibility of the Branch Manager to get the Insurance Policies renewed before the date of expiry under intimation to the loanee. In case the cheque given by the loanee is returned unpaid then in such an eventuality, the insurance premium may be made by the Corporation and expenses so incurred in renewal and liquidated damages (equal to the premium amount) may be debited in the loanee's account.

Accordingly, the Chapter No. FR 8 of P&G on “Insurance of Assets” is amended as per Appendix A.

All concerned are advised to make a note of above and ensure compliance of the aforesaid amendments
