Sub: Mechanism to monitor the units for the purpose of recovery – Reconstitution of Default Review Committees

In order to ensure effective follow-up and to facilitate decisions about the line of action, the system of review by the Default Review Committees (DRCs) is prescribed in P& A (at point No.1.58 of Chapter FR-1).

In the background of recent re-organization, it has been felt that there is a need to make the system of review more effective and result-oriented by clearly defining the role, scope and responsibility/accountability of DRCs so as to have a focused attention on recovery of Corporation dues, NPA management, close follow-up and regular monitoring of assisted units thus enabling the Corporation in maintaining assets quality by prevention of slippages and up-gradation of NPAs.

The Default Review Committees will review and analyze the causes of default in each and every case under their respective jurisdiction and will be responsible/ accountable for timely recovery of Corporation dues, new defaults and slippages.

The Default Review Committees are hereby re-constituted as under:
