Dated : 01.06.2004

Sub : Charging Rate of Interest on FLAT RATE BASIS.

The Corporation has been charging rate of interest on reducing pattern. In the present financial scenario, there is a system of providing financial assistance by the Banks /Financing Companies on flat rate basis. Looking to the competitive scenario for providing financial assistance, a proposal to provide financial assistance on FLAT RATE BASIS to the borrowers was placed in the Meeting of Board of Directors held on 17.05.2004.

The Board considered and approved the proposal to provide financial assistance @ 8% (Flat Rate) for entire repayment period based on equated monthly installments. The minimum repayment period would be 5 years (with six to 12 months moratorium period) with a clause of premium @ 5% on outstanding balance on prepayment. In case of default, the Corporation shall charge interest @ 13% p.a. on the amount in default and for the period of defaults. This system of Flat rate interest shall be applicable in all schemes w.e.f. 01.06.2004.

Other parameters like promoter's contribution, security margin, Debt Equity Ratio, maximum repayment

: 2 :

period, etc. which are followed under Normal /General Loan Schemes / GB Schemes shall also be applicable.

No rebate for timely payment as available in other loan Schemes of the Corporation shall be available.

If any prospective borrower approaches the Corporation for availing financial assistance under this FLAT RATE SYSTEM. Initially the financial assistance shall be considered at HO.

Necessary addition for charging rate of interest on FLAT RATE basis may be added at Schedule LA (S) 1/11 A of PG.

All concerned are advised to take note of above and ensure compliance.

Sub : Policy of Liquidated Damages (Penal Interest) being charged by the Corporation from the assisted units in case of default committed by them.

In order to encourage regular repayment of Corporation dues by the assisted units, the Corporation has been charging liquidated damages from the defaulting assisted units for the period of default on amount in default.

The number of Industrial Associations as well as Entrepreneurs have been representing from time to time that the rate of liquidated damages is too high and it should be reduced. In the present scenario for getting business and also to compete with other financial institutions, Banks and Private Financial Institutions, the Board of Directors in its Meeting held on 30.03.2003 had reduced the rate of liquidated damages from 5.25% p.a. to 2% p.a. in Good Borrower and Potential Good Borrower cases and accordingly PG Circular No. 1014 dated : 10-7-2003 was issued.

The Board of Directors in its Meeting held on 17.05.2004 has now reduced the rate of liquidated damages as mentioned below w.e.f. 1-4-2004 and for simplification decided to keep uniform rate depending upon the loan amount irrespective of the fact as to whether payment is made in the same quarter or not.

The rate of liquidated damages (Penal Interest) in case of default on all existing as well as future loan A/cs (excluding all GB Schemes) w.e.f. 01-4-2004 would be as follows :-

	-----LOAN-----		
	Upto Rs.2 lacs	Above Rs. 2.00 lacs But not exceeding Rs. 10.00 lacs	Above Rs. 10.00 lacs.
Liquidated Damages	NIL	2%	3%

The benefit of reduction in rate of liquidated damages would be applicable in all existing and future cases for the interest to be charged w.e.f. 1-4-2004. It is further clarified that interest already debited on 1.4.2004 (for the period upto 31-3-2004) will remain unchanged. The penal interest debited in the past shall remain as per debits already made in the loan account (s) of the borrowers till 31-3-2004.

Accordingly FA-3 Para 3.4 (ii) is to be substituted w.e.f. 1-4-2004 as above and para 3.4 (iii) is deleted with effect from 1-4-2004 at Page 536 of PG and FR-I (page 322 of PG) para 1.57 (ii)(b) is also to be substituted as above w.e.f. 1-4-2004 and para 1.57

(ii)(a) is deleted w.e.f. 1.4.2004. Para 1.57 (iii) at page (322) is to be substituted w.e.f. 1-4-2004 as under:

" Benefits as at (i) Para 1.57 (page 322 of PG) shall be given by Branch Manager as and when required as per norms of the Corporation prevailing from time to time by calculating the rebate manually, if otherwise not given by Computer."

All concerned are advised to take note of above and ensure compliance.

**Sub : Criteria for Credit Rating System of
the Promoter and the Project.**

The Corporation is, at present, operating on fixed rate of interest to all category of the borrowers. But looking to the high NPA level and stiff competition in the market, a need is being felt for suitable "Risk Management" through more specific and scientific evaluation of the promoter and the project to ensure sound loan portfolio for the Corporation with the facility of charging differential rate of interest as per the ranking of the proposal. This system will certainly attract good business and will help in reducing NPA level.

The matter was considered by the Board in its Meeting held on 21.06.04 and Board has approved the criteria for credit rating of the project and its promoter (s).

To begin with, the "Credit Rating System" will be applicable for term loan cases of above Rs. 50.00 lacs only. However, loan cases of commercial /residential complex including multiplexes, tourism related activities including hotels/ heritage hotels and restaurants, Hospitals and Nursing Homes, Financing Against Assets Scheme and Good Borrowers shall be out of purview of this system as all such case are comparatively more secured. Wind Energy Projects /Wind Farms, being infrastructure projects, have also been excluded. Detailed procedure for Credit Rating is enclosed at **Annexure-A** and detailed criterial for Credit Rating is enclosed at **Annexure-B**.

Whenever the Branch will forward any proposal other than the above cases where term loan requirement is above Rs. 50.00 lacs, it will also forward the "Credit Rating Proforma" duly filled in alongwith supporting documents as

per the criteria laid down for the purpose in **Annexure-C** except point 3 i.e. "Financial risk".

Review of credit rating will be allowed at the choice of concerned entrepreneur after one year on payment of 1% of loan outstanding as the processing charges for revising rate of interest for the remaining period.

Branch Managers are required to send the proforma of Credit Rating System duly filled in a sealed envelope separately to GM (Loans). The contents of the proforma shall be examined by the concerned appraisal team confidentially and the rating shall be disclosed to PC&CC during the discussions of the case. Strict secrecy of system shall be maintained.

All concerned are required to make a note of it and apply the system henceforth for all cases seeking financial assistance above Rs. 50.00 lacs other than the cases/schemes mentioned above.
