Minutes of PC&CC Meeting dated 10.05.2012
Rajasthan Financial Corporation
(P & C Division), HO, Jaipur

The Partner’s capital as per the Balance Sheets for the preceding three years and Provisional Balance Sheet (Composite consisting results of all the units) of the concern as on 22.02.2012 i.e. Rs.32.83 lacs was not in accordance with the condition of sanction letter dated 21.05.2008 and there are accumulated losses of Rs. 99.07 lacs. There are two reschedulings of principal sum in the loan account of sister concern M/s. Pinaki Developers, Jaipur considered on 20.09.11 and 30.01.12.

The matter was discussed in detail and it was observed that the concern did not comply with the terms & conditions of the sanction and the sister concern has availed more than one reschedulement. Further, the existing security in the form of Land & building of prime & collateral security is good i.e. Rs. 555.48 lacs against the existing outstanding loan amount of Rs. 36.43 lacs. Also, the loan account of the concern (sanctioned loan on 21.05.08) is categorized as standard since beginning.

Looking to the adequate security and the standard account position of the concern, it was decided to grant relaxation in the eligibility criteria of the Top Up Loan Scheme to the concern with regard to two reschedulings in the loan account of sister concern M/s. Pinaki Developers, Jaipur and to allow the BO to accept and process the loan file of the unit under Top Up Loan Scheme as per the delegated powers after compliance of all other parameters and norms of the scheme including ensuring cash profits in the Profit & Loss Account and Balance Sheet (Composite consisting results of all the units) of the concern as on 31.03.2012 (to be furnished) and adequate capital as per norms. There should not be any overdues in the loan accounts of the concern and its sister concern. The amount of loan may be considered as per request dated 09.02.2012.

under Builders Scheme for purchase of land for
detailed appraisal for term loan not exceed Rs.
350.00 lacs as agreed by the representatives of the
company on the usual terms and conditions
including the following:

a. The Corporation shall charge rate of
interest as prevailing at the time of first
disbursement of loan. Presently, the rate of
interest is 18.5% p.a. payable in equated
quarterly instalment alongwith principal
amount.

In case of default the liquidated damages shall
be charge as prevailing from time to time on
the amount of default, for the period of
default.

b. Term loan shall be repayable in 3 years
including moratorium period of 6 months.

c. All the directors of the company shall
furnish their personal guarantee for the
repayment of proposed loan alongwith
interest and other charges thereon.

d. The proposed loan of RFC shall be
secured by the first charge by way of
creation of equitable mortgage of the land
situated at P.No. 1, Tiger Hill area Vill.

e. As per title examination report received
from BO, Udaipur, the Corporation may
accept the title of proposed land subject to
detailed examination of title at the time of
furnishing of lease deed by UIT, Udaipur
for creation of equitable mortgage
simultaneously with the payment of UIT,
Udaipur.

f. The company shall pay the balance cost of
land out of its own sources to UIT,
Udaipur and receipts of UIT, Udaipur in

Minutes of PC&CC Meeting dated 10.05.2012
this regard shall be produced by the Company before disbursement of loan.

It was also observed that the land is auctioned by UIT, Udaipur and as reported by BO over telephone it is located out side the municipal area. As per eligibility criteria of the scheme assistance against the land located at prime location of the municipal areas of the cities Jaipur, Bikaner, Jodhpur, Kota, Ajmer, Udaipur & Alwar can be considered. Therefore, it has also been decided that the cases in which payment is to be released directly to Govt. bodies viz. JDA, UIT, Municipality, RIICO, RSHB or any Govt. authorities or bank may be considered for financial assistance under this scheme if land is situated in Development Authority limits. A circular in this regard modifying the eligibility criteria of the scheme may be issued by CPM Division.

| 3/6 | M/s Pranay Infra Build Pvt. Ltd. Kota (Operation-IV) | The Committee noted the contents of agenda note and discussed in detail and decided that as the accounts of group/sister concern remained standard and the payment of due amount on the 1st day of every quarter was made within the quarter itself i.e. payment was not made on due dates but deposited within quarter and available security as against the loan amount is quite adequate, therefore repayment behavior is considered as satisfactory as a special case and decided to re-open the case and process as per norms of the corporation.

Further it may be ensured that there shall not be any overdue in the sister/group concern at the time of sanction of loan and a condition may be stipulated that branch may ensure no overdue in group/sister concerns account at the time of execution of loan documents and each disbursement.

While processing the case, company shall submit latest up to date balance sheet for verification of investment made by the party and details of booking advance received. |

| 14/4 | M/s. Shri Hari Paradise, Ajmer (Operation – I)  
Shri Raj Kumar Ludhani, proprietor of the unit attended the meeting. Shri G.K. Barupal, Branch Manager, Ajmer was also present in the meeting. It was brought to the notice of the members of the committee that promoter of the concern has submitted a writ petition in Hon’ble High Court on which a decision has been given on 05.11.12 which is reproduced hereunder. |  
"The writ petition is disposed of directing the petitioner to make a fresh application for obtaining loan before the respondent No.2, who shall consider and decide his application within 6 weeks from the submission of the application." |

Minutes of CMD level PC&CC Meeting dated 31.01.2013
In compliance of the decision of the Hon'ble High Court, the petitioner/applicant submitted application for a loan of Rs. 800.00 lac under Financing Against Assets Scheme (FAAS) of the corporation on 24.12.12 at BO, Ajmer for their proposed Hotel Project at Ajmer. However, in this case, the loan application fee of Rs. 80,000/- has not been obtained by the Corporation.

It was also brought to the notice of the committee that:

a) As per the eligibility criteria of the scheme for financing under Financing Against Assets Scheme (FAAS) of the Corporation, loan under the scheme is considered against immovable mortgageable and marketable property; having clear title documents and free from all encumbrances. Also the Project Report shall be carefully scrutinized to examine viability of the project during appraisal of the case.

b) Further as the Corporation is settling the account with SIDBI under OTS, there is liquidity crunch and the funds with the Corporation are limited for disbursement of loan; therefore, only already cleared cases; Good Borrowers and Top-up cases are being dealt for providing finance and new loan application under FAA scheme is not being accepted by Corporation at present. However, this case under FAAS is placed before the committee in view of the order passed by the Hon'ble High Court on 05.11.12.

The facts of the case are placed before the committee as under:

1. Earlier, the concern has submitted application for financial assistance of Rs. 400 lac under Project loan scheme of the corporation for the same hotel project at Ajmer at BO, Ajmer on 26.8.10. The case was placed before the PC&CC meeting held on 20.10.10 for prior clearance. The case was cleared in principle for financial assistance and promoter was advised to submit:

   i) Commericially converted land measuring 925 sq. yards (approximately), lying in front side of the site of hotel will be kept as security with the Corporation against the proposed loan.

   ii) To get the agriculture land (measuring 277.77 sq. yards approx) converted for hotel / commercial purpose which is situated in between the Hotel land and the commercially converted land.

   iii) As per the lease deed executed by UIT, Ajmer dated 20.12.06, the possession of the land has been handed over to the promoter on 6.1.05 and as per clause No. (iv) the lessee shall set up hotel industry on the said plot of land within a period of two years from the date of taking over possession of the land and in case of failure to do so the said plot shall revert to lessor unless period of two years is
extended by the lessor on valid grounds. The concern was advised to get the period extended from the Authority.

However, the applicant who earlier consented to the above decision of the committee for loan under Project loan scheme of the Corporation, could not complete the documents as desired by the committee and instead offered another piece of Commercially converted land measuring 925 sq. yards (approximately), lying in front side of the site of hotel as security and requested for loan under FAAS against the security.

The request of the concern was placed before PC&CC in its meeting held on 03.12.10 and as the land being offered earlier for project loan is not demarcated; period of lease deed is not extended and revised map is yet to be approved by UIT for changes made in original approved map therefore, till the regularization, the committee decided to consider loan not exceeding Rs.46.00 lac under FAAS (50% of MRV amounting to Rs.92.00 lac of commercial land measuring 925 sq. yards) on another security of commercial land located adjoining to the site of the Hotel, at Jaipur-Ajmer main road.

In compliance of the above decision, a term loan of Rs.46.00 lac was sanctioned by BO, Ajmer on 16.12.10 under FAAS for its utilization in the Hotel project only. The entire sanctioned loan of Rs.46.00 lac has been disbursed. As reported, the concern is repaying the loan as per schedule. However, as per the facts placed before the committee, no substantial investment has been made by the promoter in the said project and the loan sanctioned & disbursed under the FAA Scheme has not been utilized for the purpose it was availed by the concern inspite of passing more than two years. To this promoter informed that there is still some dispute with the neighbours and resulting into the delay of the project.

The committee observed that:

i) As per lease deed executed by UIT, Ajmer dated 20.12.06, the possession of the land has been handed over to the promoter on 6.1.06 and as per the clause No. (iv), the lessee shall set up on the said plot of land hotel industry within a period of two years from the date of handing over possession. In this case the period of two years has already expired and neither hotel has been established on it in this period nor lease deed has been renewed by the competent authority.

ii) The status of the land measuring 277.77 sq.yds. in the said premises of the project is still agriculture, and yet to be converted for hotel / commercial purpose.

iii) The revised site plan / building plan duly approved by the local authority for the proposed hotel has not been submitted by the concern.

iv) As per letter dated 19.10.12 issued by the Collector, Ajmer to UIT, Ajmer regarding land owned by “Centenary Methodist
Church", Ajmer" the site is still under dispute to which the party could not clarify.

v) As per report of Inspection team of the Corporation, there is passage going between the plot which has not been shown in the site map approved by the local authority i.e. UIT, Ajmer and it seems that it is being used as "Aam Rasta" by neighbours and the property proposed to be mortgaged under the FAAS is still under dispute; the demarcation / boundary wall has not been made/ constructed by the promoter to ascertain the actual area of land available for the project. Therefore, the titles are neither mortgageable & marketable nor free from encumbrances.

vi) The earlier sanctioned and disbursed loan of Rs.46.00 lac has not been utilized by the concern as per terms & conditions of sanction.

vii) Earlier, the promoter has reported its networth as Rs.940.81 lac (as on 31.03.2010), whereas now the networth has drastically reduced and reported as Rs.342.12 lac. The promoter could not justify the reasons for such sharp erosion in its networth. It may have effect on the viability of the project.

After detailed discussions and after going through the available facts, the committee concluded that the case does not fulfill the eligibility criteria of FAA Scheme. The Committee further explored the possibilities for considering the case under Project Loan scheme of the Corporation for Hotels to which the applicant did not show any interest. Therefore committee decided to reject the case.

(a) The exposure of the Corporation in this case shall be kept at Rs.15.00 crore only.

(b) The Corporation shall have no objection if party avails loan from other FI/Banks/RIICO. The Corporation shall also issue letter in support of the loanee party to such institution.

(c) The Corporation is agreed in principle to allow pari passu charge on prime security to RIICO/Bank/other FI from which the party wants to avail loan.

(d) It was decided to defer the principal instalments due on or after 01.03.2013 (as per the original project) and the same shall be fixed according to the re-appraisal of the project being done by other FI/Bank from where the loan is sought. However, the interest on the outstanding amount shall be paid by the loanee party on due dates.

| Policy paper for CRE Sector (CRE Cell) | After detailed discussions it was decided as under:

(i) Possibility to frame a separate CRE policy for affordable housing projects may be explored so that the Corporation may be in a position to finance this type of projects on differential rate of interest.

(ii) The paper placed before the Committee may be used for general CRE projects after taking the following actions:

(a) The FMD may ensure availability of funds for financing such projects during the next financial year. (action FMD)

(b) Six major cities may be identified initially and should comprise of Jaipur, Jodhpur, Udaipur, Kota, Bhiwadi (for residential projects only) & Bikaner (for commercial projects only) and the BM of these branches shall contact the leading builders of their areas to fetch quality business. (action DGM-Operations)

(c) The Corporation may start accepting loan applications from this segment from 15th April to 15th May. Duly completed applications may reach to CRE Cell by
25th May, 2013 and process of appraisal may be completed by 15th June, 2013.

(d) The repayment period for CRE projects may be enhanced from 3 years (proposed in the paper) to 4 years including moratorium period.

(e) Credit rating is to be done for CRE cases so that the reputed/experienced builders/good borrowers and the projects coming up at prime location may get advantage in rate of interest applicable to them.

(f) Citywise areas for financing such projects may be identified by the respective DGM(Operations) in order to ensure that the projects come up in the saturated areas.

(iii) In order to formulate a realistic scheme, it was decided to call the office bearers of the various builders association of Jaipur & arrange a meeting with CMD. (action CRE Cell).

(iv) Possibility to work as authorised Agent/Franchisee of HUDCO, NH Bank, etc. may also be explored. Alternatively, they may be requested to provide funds for financing this sector at lower rate of interest (action by FMD).

(v) The existing borrowers belonging to CRE Sector may be identified by DGM(Operations) and short listed by CRE Cell after due discussions with ED so that they may be invited to attend a meeting with CMD and the suggestions given by them may be incorporated in the new loan policy for CRE Sector. (action CRE Cell)

(vi) The Corporation may continue to finance against land provided it is obtained in auction from a Govt agency like UIT, JDA, Municipality etc. and only ‘project loan’ shall be considered for the projects coming up on the land not acquired from govt agencies. (action CRE Cell)

Wide publicity of the scheme is to be made through print media in order to attract good loan proposals. (action BP-PR Cell)
