Re: Fast track Loan Scheme for Existing borrowers

Reference is hereby made to P&G circular No. 970 dated 02.07.2002 vide which "Fast track Loan Scheme" was initially introduced for the promoters who intended to avail term loan quickly from the Corporation and were ready to provide extra comfort level for the security of loan. However, this did not yield desired results and hardly any case was sanctioned under the scheme during the last 6 years since its introduction.

The Board in its meeting held on 29.09.2008 has approved a much simplified scheme to facilitate the existing financed running units (excluding GBD schemes and real estate cases i.e. financed under commercial/ residential complex schemes, Builders etc. scheme for purchase of land & building, FAAS cases sanctioned against residential/commercial properties) who are regular in repayment of the Corporation dues for a reasonable period titled as "Fast track Loan Scheme for Existing borrowers" to provide further loan to the extent of principal loan amount repaid for acquisition of additional fixed assets for expansion/ modernisation/ diversification etc. and / or meeting out the working capital requirements quickly with simplified procedure and without detailed appraisal.

Under the scheme above said existing RFC financed running unit having net profits since beginning or in the preceding 3 years, whichever period is lower shall be eligible. The account of unit should have been standard since beginning and the unit should have repaid at least six quarterly principal installments/ EQIs.

Quantum of loan for replenishment under the scheme shall be maximum upto the principal amount repaid.

“Fast track Loan Scheme for Existing borrowers” is enclosed herewith and marked as Annexure “A”. The existing Schedule LA(s) 1/16 G of PG shall be replaced as per provisions of annexed scheme. Separate guidelines shall be issued by Law Section regarding execution of loan documents to be granted under the scheme.

All concerned are advised to give wide publicity of the scheme and Branch Managers shall ensure that each and every existing loanee of the Corporation becomes aware of this scheme and simultaneously shall attempt to fetch maximum business under the scheme.

All concerned are advised to take a note of above and ensure compliance of the same.
