<td>The Committee discussed the contents of Circular No.PG-1503 dated 28.03.2016 and observed that it was simply an advisory to the sanctioning authorities to assess the financial capability to take care of regular repayment of loan. The Committee was of the view that in case financial capability of the applicant alone is not sufficient then in such cases, the financial capability/income of the spouse/other family members may be considered / clubbed up. There is already a provision in the Scheme to take personal guarantee of spouse. However, in case the financial capability of other family members is required to be considered then in such cases, personal guarantee of other family members (income of whom is being considered to assess the financial capability) of the promoters/partners/directors should also be taken for securing repayment of loan and interest thereon. The Committee further decided that in the cases in which the income of spouse/other family members is being clubbed up for assessing/justifying the financial capability then in such cases, the antecedents of the guarantor, his net-worth, CIBIL report, etc., should also be examined. However, the Committee further decided that the cases in which financial capability of the loanee alone do not justify to take care of regular repayments and income of spouse/other family members is required to be considered/clubbed-up to justify the repayment then in such cases, the admissibility of loan will be restricted to 50% in place of 60%. <strong>Action by DGM (CAS-II)</strong></td>

The request of the promoter to consider disbursement on prorata basis and relaxation in obtaining signature of two NRI Directors namely Shri Giriraj Prasad Sharma and Shri Narendra Kumar Sharma on loan documents when they come back in India/or available in India was not considered at the time of clearance of the case in principle. The promoter has again submitted the same request and in view of the good borrower and heavy amount to be raised as share capital, the Committee considered the request of the company and allowed relaxation in the condition in own contribution and IFUL. The company shall bring in its contribution and IFUL in the ratio of 50%, 25% & 25% and the disbursement shall be made on proportionate basis keeping other norms in view to the promoter’s contribution raised. The request of the company for relaxation of two directors for execution of loan documents was not considered by the committee.

After detailed discussions the committee recommended the proposal for placing before the Executive Committee for sanction of term loan of Rs 18.00 crore in favour of the company as per terms & conditions of the loan proposal subject to the following additional condition:-

“The company shall bring in its contribution in the ratio 50%, 25% & 25% and the disbursement shall be made in proportionate to the Promoters contribution raised”.

<td>Increase in loan limit eligible for interest subvention under YUPY Scheme from Rs.90.00 lac to Rs.150.00 lac and uniform rate of interest for entire loan.</td>
<td>The agenda note was discussed in detail and the committee observed that YUPY Scheme is gaining popularity day to day and number of cases have been registered under the Scheme and being sanctioned by the Corporation. In order to fetch more business under the Scheme and to facilitate young entrepreneurs committee decided to consider increase in loan limit for interest subvention under YUPY scheme from Rs 90.00 lac to Rs.150.00 lac. However, the limit of total financial assistance up to Rs 500.00 lac will remain the same. It was also noted that rate of interest up to Rs 90.00 lac is @ 13.50% - 6% = 7.50% and for loan above Rs 90.00 lac the prevailing rate of interest is being charged as applicable under general loan scheme. The committee considered the suggestion that uniform rate of interest (At present 12.00%) may be charged for the entire loan amount instead of 13.5% being charged at present and recommended to charge uniform rate of interest (i.e. prevailing rate of interest) for the entire loan sanctioned. However, subvention of 6% would be available only for the loan up to Rs. 150.00 lac subject to maximum subvention of Rs. 9.00 lac and for the loan exceeding Rs. 150.00 lac the prevailing rate of interest shall be charged as applicable in general loan scheme. During discussions it was also considered by the committee to include the projects under YUPY Scheme being set up in rented premises as per the norms of the Corporation for financing projects in rented premises. The proposal may be sent to State Govt. for its approval after obtaining approval from Board.</td>

| 13/9  | M/s. Indo Thai Developers Pvt. Ltd., Kukas, Jaipur (Table circulation) | Shri Suresh Kumar Gupta one of the Director attended the meeting. The case was discussed in detail as per following:-  
(i) The RIICO in its letter dated 10.11.14 & 16.11.15 has written that it is refixation of term loan instalments due to delay in implementation of the project and in letter dated 20.02.17 has written that account was rescheduled twice. RIICO has also written that company has paid its dues on time.  
Looking to above, the committee noted that it was refixation only due to genuine reasons of delay in implementation and moreover the account is regular hence category sub-standard in one year has no substance, the committee therefore decided that the case may be appraised further as per parameter (i.e. Share capital, promoter contribution, DER etc) and norms of the Corporation.  
(ii) Certified balance sheet as on 24.02.17 may be taken in place of 31.12.16 as mentioned in minutes dated 02.02.2017. |
| 13/10 | M/s. Parwati Builders (P) Ltd., Jaipur Central (Table Circulation) | The case was discussed in detail and after going through all the facts, the committee decided to process the case under Flexi Loan Scheme. |
| 13/11 | M/s. Evermark Paints & Allied Inds., Bindayaka, Jaipur (Table Circulation) | The committee discussed the note in detail & was of the view that once the no dues certificate has been issued to the concern, it is no fault of the concern, therefore, the committee decided to process the loan application of the concern under Flexi Loan scheme of the Corporation as per norms. |

Sh Suresh Kumar Gupta, Director of M/s Indo Thai Developers Pvt Ltd, Kukas, Jaipur is in relation with shri H C Khunteta GM(D), hence, he has not deliberated in during the discussions of this case.

The meeting concluded with a vote of thanks to the Chair.
