The promoter informed to the committee that the required promoter contribution for the project i.e. around Rs. 8.26 crore as share capital as per project report submitted would be arranged by selling immovable property as well through sale of flats being constructed at Emporia Project, Jagatpura. 35% of sale realization of the residential flats at Emporia Project would be available for share capital in next 3 year.

CRE sector is not doing well now a days. There is possibility that proper promoter contribution may not be raised in the project at required time from the revenue of Emporia Project.

The main promoter Shri Girish Kumar Pareek is not paying income-tax and income is assessed only Rs. 3.00 lac maximum during last 3 years. The other Director is paying income-tax maximum Rs. 1.00 lac approx. The promoter informed that this is his income-tax planning.

Out of 6 sister concerns, 5 units are noted as not in operation. Only one unit i.e. M/s Savi Exports is showing working results & despite sale of Rs. 403.02 there is net loss of Rs 69.48 lac. Sh. Pareek informed that the expenditure on account of staff as well as marketing, advertisement expenditure on behalf of real estate project (Emporia Project) are being debited in the P&L account of this concern. It is also informed that booking amounts/sale price of flats of Emporia Project are not being accounted in the books of M/s Savi Exports.
