Office Order

Rajasthan Industrial and Investment Promotion Policy – 2010 was announced by the State Govt. about two years back. Needless to mention, all the provisions of the policy relating to RIICO need to be implemented / acted upon by RIICO, without any lapse.

CAG has also taken adverse note of non implementation of the provisions of then prevailing Industrial Policy.

All Controlling Officers, Cell Incharges and Unit Heads are directed to immediately go through the Rajasthan Industrial and Investment Promotion Policy – 2010 (Policy document is also available on website of Bureau of Investment Promotion – www.investrajasthan.com) and review the actions taken / pending vis-à-vis. provisions of the policy relating to their Cells / Unit Offices and ensure implementation of the Policy.

The policy at some of its points has prescribed time period linked targets (for example RIICO to develop additional 20000 acres of land for industrial purposes in the next 5 years, RIICO to take up at least 5 flagship or major industrial areas every year for state of art upgrading). Accordingly, care should also be exercised that timely actions are not missed out.
