OFFICE ORDER

Sub: Implementation of Rainwater Harvesting System (RWHS) in the plots allotted in RIICO industrial areas.

Amendment was made in General Note no. 17 of RIICO Disposal of Land Rules, 1979 with the approval of IDC in its meeting dated 06.08.2014 and circulated vide office order no. 36/2014 dated 25.08.2014. The observations of non construction of RWHS has also been taken by the AG audit during financial year 2012-13 to 2014-15 while conducting audit in various unit offices.

In order to make compliance of AG audit observations, all the unit offices are directed as under:

- (i) To ensure the compliance of audit observation and office order/circulars issued by RIICO in this regard.
- (ii) To conduct survey of each plot having area 500 sqm and above to find out the status of RWHS and to monitor progress of this activity, a separate record will be maintained.
- (iii) In old cases, prior to 30.09.2011, wherein production has been verified without construction of RWHS, will again be allowed 6 months time period to construct RWHS in their premises. However, the existing provision of not to entertain their request for transfer of plot/change in constitution/change in land use/no objection certificate for any work without having RWHS in their premises, shall remain continued.
- (iv) To ensure construction of RWHS in above old cases within six months from the date of issue of this order, Unit Office will inform by registered letter to each such plot allottee.

- (v) A press release will be published in two State level news papers regarding implementation of RWHS in next 6 months by the old allottees.

This bears approval of the Managing Director.
