No. : AGM/Tech./-978

Date : 14 October, 2013

CIRCULAR

It has been observed that Unit Offices are clubbing the work of supplying and fixing of overhead Gantry sign board/cantilever sign board with the works of road, drains, boundary walls etc which are different in nature. Further the practice of two envelop system in the tenders of supplying and fixing of overhead Gantry sign board/cantilever sign board is not being adopted.

It was enjoined upon all concerned Officers/Officials of unit offices as well as Head Office to ensure to invite tenders in two envelope system for the work of supplying and fixing of overhead Gantry sign board/cantilever sign board and to float NIT accordingly. The copy of directions issued in this regard is enclosed for reference.

It is once again reiterated that the directions issued vide above referred letter No. ACE/Tech./1356 dated 25.08.2011 should strictly be adhered to and this tender shall not be clubbed with the other nature of work. Any lapse in this regard will be viewed seriously.
