**OFFICE ORDER**

**Sub: To ensure timely reimbursement of production incentive/ additional rebate due to big investment.**

It has been observed that production incentive admissible to the allottees of industrial plots under Tribal Area Regional Industrial Promotion Scheme, 2009-10 and Regional Industrial Promotion Scheme (Backward Districts) 2011-12 are not being reimbursed timely by the Unit Offices. Delay in reimbursement of additional 10% rebate in the rate of allotment, as was admissible for making Rs. 50 crores minimum investment in the industrial project according to the then provision in the rules, is also noticed. To ensure timely reimbursement of production incentive/ additional rebate to the such industrial plot allottees, concerned Unit Offices are hereby directed that such pending matters should be disposed of within 30 days from the date of receipt of request by the allottee. In case, delay is occurred due to unavoidable circumstances, then the same will be intimated to Head Office with cogent reasons of such delay.

The above directions shall be complied strictly and any lapses in this regard shall be viewed seriously by the management.

This bears the approval of the Managing Director.
