Reg: Targets for sale/revival of units under possession - 2003-04

It has been decided that the Corporation should make strenuous endeavours to sell/revive atleast 425 full units under possession by way of disposing-off them through attempting auctions or reviving such units into original hands during the Financial year 2003-04. Indeed, the thrust area of the Corporation for current financial year is to dispose-off maximum number of units so as to effect recovery from non performing assets and reduce non productive capital expenditure on watch and ward/advertisement, etc.

It should be ensured by field offices that the inventory of units under possession by the end of financial year should positively reduce the figures of 1.4.2003.

All concerned are enjoined upon to achieve the targets for sale/revival of units under possession as indicated in the attached statement.
