ONLINE BID TIME EXTENSION

The advertisement for e-auction of all categories of plots through online bidding was published in this newspaper on 1st November, 2020. In this advertisement, the bid end date was mentioned as 23rd November 2020 (Up to 5.00 PM). Due to some technical problem in the e-auction website, online bidding stopped before the scheduled closing time and bidding was extended from 24th November 2020 to 26th November, 2020. Due to yet another technical problem in the e-auction website the online bidding couldn't be completed by the extended scheduled closing time i.e. 5:00 PM on 26th November, 2020. Therefore, the bid end date of this e-auction program is hereby again extended up to 1st December, 2020 (up to 5.00 PM). Bidders may continue bidding after their last bid placed on 26th November 2020 from 27th November 2020 (10.00 AM) and continue till 1st December 2020 up to 5.00 PM.
